

**Permission for the Environmental Science Center (ESC)**

Name of Student \_\_\_\_\_ Grade \_\_\_\_ will be adequately covered with bug spray, sunscreen, and appropriate clothing when attending the ESC. If he/she attends the ESC without bug spray, appropriate staff has my permission to use bug spray, possibly containing DEET, on my child, as needed. Appropriate clothing consists of long pants or jeans, any Lakehill T-shirt, socks, sturdy shoes that tie or Velcro/hiking boots, and a jacket, if needed. Students that are not in required clothing will be unable to attend and will stay at the main campus. This policy is for their comfort, safety, and full enjoyment of the ESC.

A schedule is provided on the website. Please save this schedule and mark your student's attendance dates at the ESC. If at all possible, do not schedule any appointments that will require your student to come late or to be dismissed early on those particular days. Transportation to and from the Main Campus will be provided on Lakehill school buses, driven by certified and licensed drivers on staff at Lakehill Preparatory School.

Thank you for your cooperation and continued support.

Melissa Carpenter  
Director of Environmental Education

-----Please detach and return to the Main Office-----

Yes, please use bug spray as needed on my child.

No, do not use bug spray on my child.
